Course Description

Integrated Math I is the first course of a three-course sequence that satisfies the California Common Core Standards for Integrated Math I. Integrated Math I builds and strengthens students' *conceptual knowledge of functions, linear functions, equations, inequalities, sequences, basic exponential functions, systems of linear equations, systems of linear inequalities, one variable descriptive statistics, correlation and residuals, analyzing categorical data, mathematical modeling, and both coordinate and transformational geometries.*

Course Materials Needed (*Everyday*)

1. Graph paper *Spiral notebook (take notes everyday)*
2. Folder or Binder for math II course material-only!
3. Scientific Calculator
4. Chromebook (Fully Charged)
5. Whiteboard, marker, and Pencil or Pen/Eraser

Textbook & Grading Categories

Textbook: Houghton Mifflin Harcourt Integrated Mathematics II on my.hrw.com

Coursework will be weighted as follows:							
1. Homework	20%						
2. Online Participation		10%					
3. Quizzes & Tests			60%				
4. Final Exam				10%			
Total:	20%	+	10%	+	60%	+	10% = 100%

Online Viewing of Student Progress via Aeries.net Parent Portal

The [DHS Aeries.Net Parent and Student Portal](#) is designed to allow parents and students access to their student's information such as *grades, report cards, attendance, schedules, and other student information* in an effort to facilitate and improve communication between home and school.

Attendance Expectations (*Part of the 10% Online Class Participation*)

Regular attendance is very important to success in this course. Please do your best to attend class every day. If you cannot attend class, please get the notes from a friend or the class website and copy them into your notebook as soon as possible. *Students must be logged into Google Meet per our distance learning daily Bell Schedule or they will be marked absent and will be disciplined accordingly.*

Class Participation for each day... (*Daily 5-point model*)

- ✓ 1-point for *logging* into the lesson on time.
- ✓ 1-point for having (and keeping) their *Webcam* on.
- ✓ 1-point for *staying* on screen - *Monitored & Recorded by Google Meet and SpeedLight*
- ✓ 1-point for keeping their eyes on screen (*98% of the time*).
- ✓ 1-point for *staying* to the very end of the lesson.

Protocols for Google Meet/Zoom

Protocols

- Log in using your **School Google Account Only**
- Do **not share** your screen
- Do **not share** our meeting URL with anyone, ever!
- Follow our class norms
- If anything occurs that is does not adhere, log off and then the teacher will log off
- **If these aren't followed, you may be sent outside of virtual environment. Your parent will receive a personal call and administration will be involved.**

Norms for Students Using Chat

- Live Sessions will be **recorded**.
- When you enter - **Microphone must be on mute**
- Written chat must be for **class purposes only**. If you have other questions outside of the topic, **please email**.
- Students in attendance **will have jobs** that help those who are here live and also help those who watch after.
- If called upon, please **unmute your mic and chime in**.
- Recordings and transcripts of the chat will be posted after the Live Session.

Live Session Student Job Title		Role
	Welcomer	After the first five minute of the Live Session... As people enter the meet and some arrive late, greet them in writing by saying Hello, _____ . Give them a summary of what has happened so far.
	Questioner	If a great question is posted in the chat and as the teacher I don't see it or respond, the questioner may unmute their mic and alert me to the question .
	Timekeeper	If the teacher gives a time for a particular activity or part of class, the timekeeper will alert us all if we are approaching the end of the time allotted including end of class about 5-minutes before .
	Notetakers	All students are expected to take notes and participate as needed. You will have access to all that is posted in the chat after the recording ends. Some may be asked to share notes with anyone who could not attend live.

Some Wise Advice

- 1 - Struggling is a part of Learning
- 2 - You are capable of anything
- 3 - You are the focus of this class, not me.
- 4 - You are responsible for your learning, not me
- 5 - Everything you do affects everyone else.
- 6 - You are important as a learner & human being.

Academic Honesty

1. **Cheating** is not tolerated under any circumstances and will result in an automatic zero and referral under the district/school policy.
2. **Do your own work.** The purpose of assignments is to develop your skills and measure your progress. Letting someone else do your work defeats the purpose of your education, and may lead to serious charges against you.
3. Do not use **unauthorised aids** or assistance in an *exam, test*, or other form of math work.
4. You are expected to be kind, courteous and respectful. You will be expected to stay on task and follow directions. You will also be expected to ***follow the school rules while in the classroom***: Be respectful, be responsible, and be Safe. Inappropriate behavior will not be tolerated. This is any behavior that distracts, disrespects and/or harms another person.

H: Have Respect

A: Act Responsibly

W: Work with Honesty and Integrity

K: Keep High Expectations

S: Support your Community

Electronic Device Expectations

School issued Chromebooks will be used throughout the year in class. Any student wishing to use their own **personal electronic devices** must have the approval of the instructor before they will be allowed to be used and these devices must be registered according to school policy with speedlingh software.

Late Work:

Late work will not be accepted; the only late work accepted would be with excused absences. However, if you happen to come across an emergency that does not allow you to complete your homework I will decide if you may turn it in late.
